

## Davenport Returns from Industrial Exhibit; Reports Interest in Area

**Says Southern Illinois Exhibits Had Most Activity**

Bob Davenport, representing the Saline Valley Development Association at the National Industrial Development Exposition in New York last week, has returned to his home in Harrisburg.

Bob states the Southern Illinois exhibits had more activity than any other and received twice as much publicity as all the rest of the exposition combined.

Practically every industrialist visiting the exposition stopped at the local area exhibits and expressed satisfaction with the complete information available, Mr. Davenport stated today.

Mr. Davenport, Frank Zolton, secretary of the Eldorado Cham-

## DAR Membership Shows Increase

WASHINGTON (AP)—The president general of the Daughters of the American Revolution said today the organization's membership increased in the past year.

Mrs. Frederic A. Groves, of Cape Girardeau, Mo., told the DAR's 67th continental congress there are 186,369 members in 2,839 chapters at the present time. The net gain was 1,234 members from February, 1957, to February, 1958.

She announced in the annual report that the national board of management has voted to inaugurate the presentation of an Americanism medal to be given to adult naturalized citizens.

Some 3,000 DAR ladies were gathered here for the week-long convention.

President Eisenhower sent the daughters a message congratulating them for their role in "preserving our exalted past."

## Brewster Contempt Conviction Reversed by U.S. Court of Appeals

WASHINGTON (AP)—The U. S. Court of Appeals today reversed the contempt of Congress conviction of Frank Brewster, former boss of the Western Conference of Teamsters.

The court ruled 2-1 that the Senate investigations subcommittee which called Brewster to testify in January, 1957, had exceeded its authority.

The court also reversed a similar conviction in the case of Nugent Lapoma, former secretary-treasurer of Teamsters Local 174 in Seattle, who also refused to testify before the subcommittee.

Brewster, who was sentenced to one year in jail and fined \$1,000—the maximum penalty—has been

## The Weather

Illinois: Fair north, considerable cloudiness south tonight. Somewhat cooler south tonight. Wednesday fair and mild. Low tonight 38-44. High Wednesday in 70s.

12 mid. — 54	12 noon — 62

## Complete Jury For Chamberlain Murder Trial

The jury was completed this morning and opening statements were set for 1:30 p. m. today in the trial of LeRoy Chamberlain, charged with murder in the fatal shooting of John Estlin Ledbetter in the Chamberlain residence in Harrisburg Nov. 26, 1956.

Eight jurors were selected yesterday and the remainder sworn in shortly before noon today. In addition to the regular 12, Circuit Judge Harold L. Zimmerman directed that an alternate be chosen, to sit in with the jury and be ready to serve in event any regular juror became incapacitated.

The jury: William Oxboard, Harrisburg Route 3; Beulah Grisham, Eldorado Route 2; Aileen Clark, Harrisburg Route 1; Hillis Matthews, Carrier Mills; John Romonovsky, Harrisburg; James Kielhorn, Harrisburg Route 2; Bertha Elder, Raleigh; Delcie Whittier, Eldorado; John W. Wentzel, Harrisburg; Ruby Drobeck, Eldorado; Iris Feunquay, Eldorado; and Elaine Wilson, Harrisburg.

Harold Allen of Harrisburg Route 1 is the alternate juror.

## Mitchell Urges Open Primary

CHICAGO (AP)—Former National Democratic Chairman Stephen A. Mitchell Monday urged adoption of "open free-choice" primaries in Illinois.

The open primaries, Mitchell said, could be installed by amendment to the state's election laws.

Mitchell said there was an "unmistakable spirit of independence" among a "growing number" of voters who split their tickets at general elections and who want to ballot in primaries without "making public their political party affiliation."

The opposition to open primaries, Mitchell said, is bolstered by political leaders "with the claim" that party responsibility would be destroyed if voter affiliation were a secret.

"The real reason for the opposition to open free-choice primaries by leaders of both parties," he said, "is their fear the people would turn out in much greater numbers, and take away control of the nominations from the so-called 'slatemakers' . . ."

## Re-Elect Bottomley President of City School Board

J. A. (Art) Bottomley was re-elected president of the Harrisburg City School board of education at an organization meeting Monday night.

George D. Barnes was re-elected secretary. The two officers were completing their first terms in the respective offices.

At the meeting, the votes in the election last Saturday were canvassed. Vernard Clayton, Hudson Mudge and Curtis Small were declared elected for three-year terms and they were given the oath of office.

Bruce Polk and L. N. Davenport are the two other board members.

## Rites Wednesday at Benton for Judge Jones

The funeral of Judge Paul A. Jones, 59, Benton, who died Sunday, will be held at 2 p. m. Wednesday in the First Baptist church at Benton. Rev.

# Russia Is Endangering World Peace With Propaganda: Dulles

## Three Oil Tests Under Way; Two Others Abandoned

The Saline county oil reopert: T. W. George's N. S. Bond No. 1, NEc NE NW, 29-85-5e (Brushy) was rigging up cable tools to test the Aux Vases.

Hal S. Lohree's Empson No. 1, NWc NE NE, 29-85-5e, was running five and a half inch casing to test the Aux Vases. A three-hour drill stem test gassed in 15 minutes, recovering 450 feet of oil and 90 feet of mud and gas cut oil, 30 feet of salt water with bottom hole pressure of 982.

Kewanee Oil's Harris No. 1, SWc SW SW, 10-85-5e (Galatia) was given a one-hour drill stem test in the Tar Springs. It recovered 10 feet of mud and a showing of oil, with bottom hole pressure 60 pounds.

R. W. Kuzmich's Venter-Bond et al Community Unit 1, SWc SW NE, 29-85-5e, was dry and abandoned. So was Kuzmich's McConnell-Fife No. 1, SWc SW NE, 29-85-6e (Raleigh).

## Congress Feels Pressure to Cut Excise Taxes

WASHINGTON (AP)—Congress felt growing pressure today for excise (sales) tax reduction although no heavy demand was seen yet for general income tax cuts.

Several members who spent last week's Easter recess in their states returned to report many constituents were eager for lower excises on autos, freight and other items. Such cuts might result in lower prices, spur sales and help push business out of the slump.

Although there seemed little inclination among Democratic leaders to go along with former President Truman's call for an immediate five billion dollar income tax cut, Sen. Mike Mansfield (Mont.), the assistant Senate Democratic leader, who spent Easter in his state, said he found "overwhelming demand" for repeal or reduction of excises.

Sen. Styles Bridges (R-N. H.) said he noted no widespread sentiment for income tax cuts but some constituents urged a reduction in auto excise taxes.

Sen. Charles E. Potter (R-Mich.) said the people in his state were "practically unanimous" in favor of cutting the 10 per cent excise on cars.

## Federal Land Bank, St. Louis, Reduces Interest Rate

The Federal Land Bank of St. Louis has reduced its interest rate to 5% on all loans closed on and after April 1, 1958, according to word received by Wm. W. Hull, secretary-treasurer of the National Farm Loan Association of Harrisburg.

"A more favorable bond market, reducing the cost of money obtained through the sale of land bank bonds, is a principal factor in determining the loan rate," said Walter H. Droste, President of the Federal Land Bank. Mr. Droste also stated that the reduction in rate will mean substantial savings to farmers in Illinois, Missouri and Arkansas, who obtain Federal land bank loans through their local national farm loan associations on and after April 1.

Farmers in the three states served by the Federal Land Bank of St. Louis have outstanding with the bank approximately 30,000 loans in the amount of \$157,500,000.

## Gibbons Funeral Home Enlarging Chapel

Enlargement of the chapel at the Gibbons funeral home is under way.

A wing to the present building, 60 by 42 feet in dimensions, is being built to the north. With the present chapel 30 by 45 feet, the enlargement will give the funeral home a chapel of 105 by 72 feet.

The addition will be one-story. Claud Gibbons, funeral director, stated.

## Democrats Seek GOP Votes to Override Veto

**Benson Predicts Farm Bill Veto Will Stand; Income Up**

WASHINGTON (AP)—Senate Democratic leaders hunted for Republican votes today to help override President Eisenhower's veto of a bill to prevent a cut in farm price supports.

Chairman Allen J. Ellender (D-La.) of the Senate Agriculture Committee said he thought there was a "good possibility" of getting the necessary two-thirds Senate vote to override the veto.

However Sens. George D. Aiken (R-Vt.) and Milton R. Young (R-N.D.), who both want the veto overturned, doubted the votes could be found. Agriculture Secretary Ezra Taft Benson predicted Monday the veto will stand.

Aiken said he could see a maximum of no more than 59 votes to override. This would be six votes short of the necessary two-thirds if all senators voted.

The President vetoed the bill before Congress started its Easter recess. It would freeze government farm price props and crop ceilings at 1957 levels and bar price support cuts already ordered by Benson.

Benson meantime reported that farm income is up and farm prices have reached their highest point in nearly five years. He told a news conference Monday the developments have been "a source of strength in the so-called depression." He added that the rise in unemployment has not "significantly" affected purchases of food.

He said farm income in the first three months of this year may have been near an annual rate of 13 billion dollars compared with a yearly rate of \$11,700,000,000 in the same period of last year.

Most of the rise in income reflects a "real improvement" in prices rather than inflation, he added. He predicted farm income will continue higher for the rest of 1958 even if prices on vegetables and other farm products may go down somewhat.

## John G. Patterson, Former Resident, Dies at Marion

John George Patterson, 82, resident of Marion and former resident of Harrisburg, died at 3 a. m. Sunday in the Marion Memorial hospital. Funeral services were held at 2 p. m. today in the Storme funeral home in Herrin and burial was in the I. O. O. F. cemetery at Benton.

## New Burnside Woman Dies

Julia Lemons, 83, resident of New Burnside, died in the Marion Memorial hospital at 4:30 a. m. today. The body is in the care of the Thornton funeral home in Stonefort and funeral arrangements have not been completed.

**TRUMAN URGES TAX CUT** — Former President Harry S. Truman as he appeared before the House Banking Committee. He urged Congress to help the economy by giving middle and low income families a \$5 billion tax cut and by stepping up defense and public works spending. (NEA Telephoto)

EDWARD BELL, newly elected president of the Junior High School Association of Illinois, is shown seated at his desk at the Harrisburg Junior high school where he is science instructor. (Register Staff Photo)

## Edward Bell Elected President Illinois Junior High Association

Edward Bell, Harrisburg Junior high school science instructor, is the newly elected president of the Illinois Junior High School Association of Illinois.

Mr. Bell was elected to head the Junior high school group at its annual meeting Friday and Saturday, April 11 and 12, on the campus of the University of Illinois.

Other officers elected were: William Augustus, Aurora, vice president; Stanley Weber, Kankeke, senior board member; Margaret Carnahan, Charleston, member executive board; Robert Schoonmaker, Rockford, member executive board; Mary Traylor, Decatur, secretary; David Puckack, Alton, treasurer; Dr. M. Dale Baughman, Professor of Education, University of Illinois, consultant.

The Junior high school is the youngest member of the educational system, having been organized only 50 years ago and the Junior High School Association of Illinois is just past its 20th year.

Activities of the association, as listed by Mr. Bell: 1. Publish news letters of current successful practices in Illinois schools; 2. Hold regional drive-inconferences; 11 such conferences were held throughout the state last year; 3. Cooperate with the Junior High School Principals organization and other groups; 4. Conduct an annual study of current practices and philosophies at the Junior high school level; 5. Hold workshop sessions, four being held last year; 6. Cooperate with the Illinois curriculum program and the State

## Porter Contests Election Loss in Johnson County

Johnson County Judge Robert B. Porter of Vienna, declared loser in the Republican race for re-nomination, yesterday filed a complaint in Johnson county circuit court contesting the nomination of Jack Williamson in the April 8 primary.

The canvass showed that Williamson beat Porter for the GOP nomination by 44 votes, Williamson getting 1,471 to 1,427 for Judge Porter.

Circuit Judge Harold L. Zimmerman of Marion yesterday entered an order, upon request of Porter's attorneys, which ordered the clerk of the circuit court to impound the ballots, poll books and cards, tally sheets, affidavits and all other material pertinent to the election.

Judge Porter's complaint charged the election returns were inaccurate and erroneous. It said that according to information and belief 54 votes were cast for the defendant in Simpson precinct and were counted although the ballots were not initiated by any judge. It also charged that the defendant received votes from persons who were not legal voters.

Judge Zimmerman's order set 10 a. m. Tuesday, April 29, as the date for hearings on pleadings and the time that the contest will be set for trial.

## Blasts Soviet Diplomacy in Angry Outburst

**Says U. S. Ready To Hold Pre-Summit Talks with Russia**

WASHINGTON (AP)—Secretary of State John Foster Dulles today charged that Russia is endangering world peace by prostituting diplomacy for propaganda purposes.

Dulles, in an angry outburst at his news conference, used the words prostitution and debauchery in describing Soviet use of diplomacy.

Dulles emphasized nevertheless that the United States is prepared to sit down with Russia at pre-summit meetings at any time to press for peace.

He said he hopes that such pre-summit ambassadorial talks will begin in Moscow in a few days. But he did not know the exact day. He said the West is still working on a reply to the latest Soviet communication suggesting the discussions start Thursday.

**A Dangerous Development**

Dulles discussed the possible summit situation in a lengthy question and answer meeting with reporters until he finally exploded on the propaganda issue.

Dulles said the Soviet Union for the first time in world history has debauched and prostituted the diplomatic machinery for pure propaganda purposes. He said he believes this is one of the most dangerous developments that could affect world peace.

If they are going to destroy this machinery, Dulles said, the Russians may have to pay a heavy price for what they are doing. He said the Soviets may destroy a frail reed of sincere diplomacy upon which world peace rests.

On other subjects, Dulles also:

—Said it is fair to conclude Russia has developed difficulties in trying to launch a third earth satellite. He said his statement was not based on firm information but was fair speculation or an educated guess.

**Doubts Moon Race**

—Voiced doubt about reports that Russia has experienced a major nuclear accident. The reports suggest.

(Continued on Page Six)

## Fire Damages Home, Contents Are Destroyed

The home of Mr. and Mrs. J. L. Woolard at 616 West Lincoln avenue was badly burned and all contents were destroyed by fire which caught around 2 p. m. yesterday.

Fire Chief L. G. Martin said that when the fire truck arrived, the downstairs was blazing and that it was starting into the attic. Fireman Frank Patterson, who lived only two blocks away and was there early, said the kitchen was ablaze when he arrived and that the flames were spreading rapidly through the house.

Mrs. Woolard told Martin that she had some beans cooking on an electric stove, that she had gone to the store and had been away 10 or 15 minutes when she learned her house was afire.

The house was badly charred inside. None of the contents could be removed.

Chief Martin said he believed the fire started from the wiring in the electric stove.

The fire truck made a second run to the scene about 3:30 p. m. The roller of an ironer stored in a cabinet in the kitchen had broken out in a blaze.

## Shawnee Hills Meeting Near Golconda Monday

The April meeting of the Shawnee Hills Recreation association will be held in the American Legion cabin on Route 46 two miles west of Golconda at 6:30 p. m. Monday, April 21. Ray Mittendorf of Metropolis, SHRA president, announced today.

Bill Rottman of Golconda will be host and reservations to the dinner should be made with him not later than Saturday, April 19. County vice president will report on the membership drive at this meeting.

## Time Out!

## The Washington Merry-Go-Round

By DREW PEARSON

**DREW PEARSON Says:** Agency charged with probing stock market is badly neglected; Democrats battle between themselves in New York; Liberals threaten bolt to Rockefeller.

WASHINGTON—There are two interesting buildings in Washington, both dealing with the financial arteries of the U.S.A., which contrast strangely in architecture, personnel and activity.

One is the beautiful marble mausoleum built for the Federal Reserve Board on Constitution Avenue. Here bank presidents from all over the U.S.A. meet to consult on the economics of the nation. An air of discreet conservatism pervades its halls.

It was in this building that the Federal Reserve Board, with some members dissenting, decided to tighten up interest rates last year, which in the opinion of many economists brought on the present recession.

In a completely different part of town, on Second and D streets, located in a "tempo," is the Securities and Exchange Commission. A tempo is a temporary building built during the war supposedly to be torn down after the war. But in this makeshift building, which in the summertime is the hottest place in Washington, an understaffed, overworked commission passes on the stock and bond issues which mean hundreds of millions to the American public.

Wall Street lawyers leave their comfortable office suites in New York at 8 a. m., fly to Washington, appear before the SEC and catch the 5 p. m. plane back to Manhattan. They bring with them to the nation's capital their overpaid, over-stuffed publicity men.

Matching wits against them to protect American stockholders is a SEC staff, cut down to the most miserly budget in history. Yet this is a time when the SEC must pass on more stock issues than ever before; is engaged in more proxy fights than ever before in history.

The SEC, written into law by Sam Rayburn under Roosevelt, us-

ed to boast such outstanding public officials as Supreme Court Justice William O. Douglas; the late Jerome Frank of the Court of Appeals; Joseph J. Kennedy, ambassador to England; Leon Henderson, former head of OPA; and Justice Ferdinand Pecora of the New York Supreme Court. Now it is the stepchild of the Eisenhower administration. One of the best ways to kill an agency is to starve it to death.

Note—Ten million families now own stocks. All of them are dependent in one way or another on the SEC as the government watchdog for clean securities.

### WASHINGTON LOW-DOWNS

Vic Cramer, onetime ace trust buster of the Justice Department, is going to clam up when he testifies before Congress on Celler's trust-busting committee on the telephone monopoly. Cramer knows where the bodies are buried in the fixing of the telephone consent decree, but isn't going to cooperate with Congress. . . . The grand jury probing the Federal Communications Commission and the Mack case is weak. Some of the jurors don't understand what it's all about. They will do what the district attorney wants them to do. Probable result: No prosecutions. . . . The Harlem Globetrotters, who patriotically went with me to North Africa to entertain U. S. troops last Christmas, will stage a big game at the University of Maryland next week with the College All-Stars. Attorney General Bill Rogers will open the game by tossing up the ball. . . . The FCC has delayed four months in blessing the sale of the Kansas City Star's TV and radio stations. Usually this is automatic. Maybe the FCC is being careful for a change.

Bill O'Dwyer, Manhattan's famous ex-mayor and former ambassador to Mexico, was taking a shower in the Gresham hotel in Dublin when the Associated Press came to tell him that his office building in Mexico City had fallen over at 2:30 a. m.

"Anyone hurt?" asked O'Dwyer.

"No," replied the AP. "What are you going to do?"  
"I'm going back to finish my shower."

### BACKSTAGE IN NEW YORK

Democrats usually start battling between themselves when victory seems just around the corner and that's what they're doing in New York right now. Result could be Nelson Rockefeller, Republican, as governor.

The conservative wing of the Democratic party (sometimes called the Irish wing) wants Big Jim Farley to run for the Senate. This has brought howls of opposition from the liberal party which holds the balance of power, also from Roosevelt Democrats. Both remember how Big Jim knifed FDR in his latter years. Conservative Democrats are willing to compromise—maybe with Frank Hogan, the district attorney, or Tom Murray, former Atomic Energy commissioner. But they don't want Tom Finletter, former Air Force secretary.

As a result Dave Dubinsky, head of the International Ladies Garment Workers and moving spirit in the liberal party, has thrown down the gauntlet. He has dropped private threats that if the Democrats don't nominate a liberal, he will swing the liberal party over to Nelson Rockefeller for governor, thereby undercutting Gov. Averell Harriman.

There's an interesting bond between Dubinsky and Rockefeller. Dubinsky's friend and adviser for years has been Mrs. Anna Rosenberg, former assistant secretary of defense. The Rockefeller family's labor adviser for many years has been the same Mrs. Anna Rosenberg. She is not adverse to a marriage between Nelson Rockefeller, Republican candidate for governor, and the liberal party.

Ancient Mesopotamia's Code of Hammurabi allowed surgeons to charge 10 shekels for a serious operation performed successfully on a patrician, the National Geographic Magazine says. The surgeons could charge piebalds only five shekels and slaves two shekels.

## Thinking It Over

By Robert L. Diefenbacher, D.D. (Written for NEA Service)

"Squatters" are trespassers on property which does not belong to them. Sometimes these "squatters" are able to remain for long periods of time because the owners are absent. On occasions they take possession of land in the public domain. At some time the government has to deal with these illegal residents.

In the realm of the spirit there are many persons who take possession of a small portion of God's kingdom without laying claim to the title. They join the church or they talk about their goodness without finding salvation.

It is not up to men to unseat these squatters nor even to judge them as trespassers. Rather it is up to us to present them with God's message that they may find the way to be possessed by God. God may want them to live where they have squatted.

## The Lady was Willing

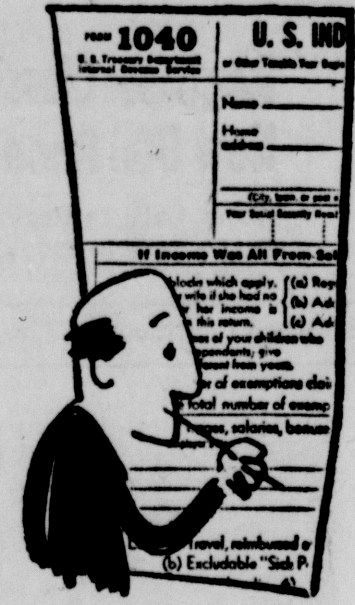

Recently a service station attendant changed the oil in a car with 23,000 miles on the speedometer. He noticed that a lubrication job was also badly needed, so he politely suggested it to the driver. She replied, willingly enough, "Go ahead if you want to . . . but I thought all that was done at the factory!"

Of course, this couldn't happen to you, but with cars getting more and more complicated every year, proper and frequent lubrication is more important than ever.

Phillips 66 Dealers specialize in lubrication. They have complete charts and specifications for all makes of cars, and what's more, they use them! Stop in next chance you get and watch how thorough Phillips 66 attendants are when they lubricate a car . . . it's a pleasant surprise for most motorists!

Parker Oil Co., Distributor

Harrisburg, Illinois

How much more income will you report next year?

If you're a normal healthy specimen you're going to hope it will be more than the one you have just reported to Uncle Sam.

Try this test to see how good you might be at making the total a little larger. Ask yourself:

Am I content to go through life with my job as my only income? Wouldn't that be pretty unwise when you might get extra income from dividends on common stock or interest on bonds? Many people like you do. This kind of income can keep coming after you've left your job . . . perhaps for life.

Do I know what good common stocks can bring me besides income? Common stock makes you part-owner of a company. If the company prospers your stock may pay more dividends and may go up in value. This could help your income keep pace with any rise in prices.

Do I have to be well-heeled to buy stocks? No indeed. More than 8 1/2 million people own stock. Two out of three have incomes under \$7500 a year. Many are buying stock in some of America's greatest companies for as little as \$40 every three months, up to \$1,000 a month, on the Monthly Investment Plan.

Is it all as easy as that? No. Be sure to keep your wits about you. For a company may not pay a dividend, may lose ground in our free economy. Stock prices go up and down, like the price of any kind of property.

Then do I have to be an expert to invest successfully? Not at all. Few of the people who are getting income from dividends on common stock could call themselves experts. The important things to do are: Use only extra money left over after living expenses are paid and emergencies provided for. Get the facts before you invest—never depend on tips or rumors. And see a broker for sensible advice. Make sure he's with a Member Firm of the New York Stock Exchange.

Where do I start? With a booklet called "INVESTMENT FACTS." It's free and it's just been brought up-to-date. It gives interesting facts about investing as well as the records of more than 300 stocks on the New York Stock Exchange that have paid dividends every three months from 20 to 94 years. There's also a description of the Monthly Investment Plan. Drop in at a Member Firm for a friendly welcome and a free copy. A broker there will help you buy and sell. Ask him about bonds as well as stocks. And from time to time ask him to look over your securities with you. Or send the coupon now for a copy by return mail. Then maybe in April to come you'll be a happier man.

Own your share of American business

## Science Shrinks Piles New Way Without Surgery

**Finds Healing Substance That Relieves Pain, Stops Itching as it Shrinks Hemorrhoids**

New York, N. Y. (Special) — For the first time science has found a new healing substance with the astonishing ability to shrink hemorrhoids, stop itching, and relieve pain — without surgery. In case after case, while gently relieving pain, actual reduction (shrinkage) took place. Most amazing of all — results were so thorough that sufferers

made astonishing statements like "Piles have ceased to be a problem!" The secret is a new healing substance (Bio-Dyne) — discovery of a world-famous research institute. This substance is now available in suppository or ointment form under the name Preparation H. At your druggist. Money back guarantee.

## Social and Personal Items

### Mary Walker Circle Meets With Mrs. Charles Sutton

The Mary Walker circle of the First Baptist church met in the home of Mrs. Charles Sutton at 7 p. m. Thursday. Mrs. Joe Morman read a letter from Mary Walker, for whom the circle is named and who is a missionary in Japan. She wrote of many interesting things encountered in her work.

Mrs. Sutton had charge of the program and Mrs. Calvin Sutton gave the devotion on family prayer. The program subject was "Personal Witnessing" and topics were given by Mrs. Noble Mitchell, Mrs. Robert Pulliam, Mrs. Charles Sutton, Mrs. John Cape, Mrs. Bernard Feazel and Mrs. Joe Morman. Mrs. Edward Bell was also present.

### Karbers Ridge and Friendly Circle Ladies' Aid Holds Meeting

The Karbers Ridge and Friendly Circle Ladies' Aid met in the home of Mrs. John Gittert Thursday for a potluck luncheon served at the noon hour. There were 15 members present and three visitors. The influenza and mumps epidemics that have recently swept through the community kept several members from attending.

Following the business meeting there were games and recreation and prizes were awarded to Mrs. Winnie Rude, Mrs. Marie Allen, Mrs. Mabel Black, a guest, and Nora Suits, who also won the door prize. The next meeting was announced for May 13 in the home of Mrs. Bettie Joiner.

Others present were: Mrs. Clara Deatette, Mrs. Pauline Banks, Mrs. Hattie Banks, Mrs. Christal Drumm, Mrs. Rose Tanner, Mrs. Lora Tanner, Mrs. Louise Hubbard, Mrs. Emmerette Vinyard, Mrs. Norma Cox, Mrs. Patsy Cox, Mrs. Genevieve Hooten, and visitors, Mrs. Effie Stricklin and Ernest Deatette.

The nose and outer leading edges of wings of a jet plane heat up most from friction with the air when flying at supersonic speeds.

## Smith-Blake Wedding Solemnized In First Methodist Hall Chapel

Mr. and Mrs. Thomas Harper Blake (Ronnie's Studio Photo)

Miss Wanda Marie Smith, granddaughter of Mrs. Jessie McNeese, 1111 South Leford street, Harrisburg, and Thomas Harper Blake, Chattanooga, Tenn., son of Mr. and Mrs. Thomas Harper Blake, 709 Park drive, Marion, was solemnized in Hall Chapel of the First Methodist church in Harrisburg on the afternoon of April 6. The Rev. W. L. Cummins performed the wedding ceremony before the altar decorated with white gladioli and greenery and lighted with burning tapers in tall candelabras.

The bride was given in marriage by her uncle, Ralph McNeese, and wore a ballerina wedding gown of white Chantilly lace, fashioned with a long sleeved empire bodice and a full skirt. Her chapel length veil of illusion was secured to a crown of lace and pearls. She carried a cascade bouquet of a white orchid and stephanotis.

Miss Jeanette Greer was the

bride's only attendant and wore a dress of white eyelet over pale blue taffeta, encircled with a blue cummerbund. Her headdress of blue flowers matched the painted blue carnations of her bouquet.

The bridegroom chose William Moody Bigelow Nashville, Tenn., to act as his best man. Ushers were Jan Halloman and Jerry Grace, Marion, friends of the bridegroom.

Miss Shirley Karnes sang "Aloft," "Through the Years" and "The Lord's Prayer."

There was a reception for the wedding party in the Egyptian room of the Hotel Marion at Marion, following the wedding.

The bride was graduated from HTHS and has been a dental assistant to Dr. B. G. Funkhouser for the past two years. She is a member of Delta Theta Tau sorority.

Mr. Blake was graduated from Marion Township high school and attended SIU at Carbondale. He served in the U. S. Navy and is at present sales representative for the Armstrong Rubber Co.

Following a honeymoon trip thru the South and Florida, Mr. and Mrs. Blake will be at home to their friends in Chattanooga, Tenn. Out of town guests at the wedding, relatives of the bride couple, were: Mrs. Harold Meecham, Gary, Ind.; Mr. and Mrs. O. T. Harper, Murphysboro; Dr. and Mrs. A. D. Harper, Crossville; Mrs. R. P. Blake and Mr. and Mrs. Charlie Auten, West Frankfort and Mr. and Mrs. Thomas A. Blake, Marion.

### Mrs. Carrie Barter Hostess To Relatives and Houseguests

Mrs. Carrie Barter, 315 East McElrath street, Harrisburg, has been hostess to her niece's family, Mr. and Mrs. Peter Kramrich, and daughter, Connie, Detroit, Mich., since Sunday. Miss Kramrich is the former Miss Nadine Bean. The Kramrich family is on its way to Washington, D. C., to visit a brother and left Harrisburg today.

Mrs. Barter and the Kramrich family visited relatives, Jim Bean and Earl Bean at Zeigler, uncles of Mrs. Kramrich. They also visited Mrs. Mary Berman, Mrs. Barter's niece, at Carbondale. Other nieces, Mrs. Elizabeth Leagan and Mrs. May Miller, Canton, O., are houseguests in Mrs. Barter's home and will leave Harrisburg later in the week. Mrs. Legan is the sister of O. E. Barter, Harrisburg, and Mr. and Mrs. Barter are visiting with them in Ms Carrie Barter's home today.

George Bean and Mrs. Nettie Budden came to Harrisburg to call on the Kramrich and Barter families during their visit together.

### Hospital Notes

**Harrisburg Hospital**  
Admitted:  
Mrs. Sylvia Hull, 705 South Granger street, Harrisburg.  
Mrs. Everett (Doc) Gates, RFD 1, Harrisburg.  
Mrs. Bertis Wayne Dixon, RFD 2, Harrisburg.

The U. S. Army's expenditures from 1789-91 were \$633,000. By 1792, they were \$2,500,000. In 1919 they jumped to nearly nine million, and in 1954 reached almost 50 billion.

Mrs. P. W. Sherman Presents Outstanding Music Program At Woman's Club Meeting

Mrs. P. W. Sherman, music chairman for the Harrisburg Woman's club presented an outstanding music program at the club meeting in the library, Monday afternoon. All of the love and hope for her pupils which has long been a great factor in her success as a teacher, was disclosed in her introduction of each performer and her pride in their performances.

The meeting was called to order at 2 p. m. by the president, Mrs. W. W. Damron, and a short business meeting was held. Mrs. L. M. Hancock led the pledge of allegiance to the flag, the secretary read the minutes of the previous meeting and the treasurer's report was heard.

Mrs. J. J. Klein gave the meditation prepared by Mrs. W. I. Reynolds who could not attend. Mrs. Reynolds, a member of 48 years, is 83 years old and vitally interested in the club activities. Her meditation was based on the thought, "In God We Trust in These Troubled Times."

Mrs. Sherman took charge of the program following the introduction of guests, several of whom, were from other communities.

Larry Edwards played a Bach composition which he had used to audition in Chicago just a few years ago. His mastery of the piano and the difficult Bach number was evident. Mrs. Hal Burnett spoke briefly on the subject of music and emphasized that all sound is music, only lacking at times in accompanying sounds to create harmony. "Music," she said, "beautifies life and expresses the basic emotions. It is indestructible and is art, beauty, order and harmony."

Laura Hamilton sang "Were My Song With Wings Provided" and "Ecstasy." Lorna Jane Dallas sang, "Flower Rain" and "One Fine Day" from the opera, "Madame Butterfly." Charles Rann sang "Remembrance" and "The Sea Gypsy."

Mrs. Sherman introduced each number as it was sung, giving to each greater meaning and adding pleasure for the listening group. She reminded her audience that most of these young people will be competing this week in the state music contests, having won in the recent district contests.

Linda Rude and Paula Reynolds closed the music part of the program with a two piano duet, "Romance," and the harmony of the combined instruments showed the quality and the talent of each player.

Miss Nancy Bramlet, music camp student, was introduced to the club and spoke of her week at the camp in Du Quoin, where she was sponsored by the Woman's club. Miss Bramlet is a flute and piano student and she spoke of participating in the band and music appreciation classes, shared with other students from Illinois, Missouri and Arkansas. She thanked the members of the club for making it possible for her to attend the camp.

Mrs. Damron thanked the musicians and Mrs. Sherman for the program, which was so well received by the members and guests and then made the following announcements: The Harrisburg Woman's club was cited at the state federation meeting for community achievement. Mrs. Damron named the committee members, whose chairman is Mrs. Frank Gray, and thanked them. She announced the Carrier Mills Woman's club style show to which the members were invited. The "Open House" at Anna State hospital to be held April 27 from 1-4:30 p. m. was mentioned and Woman's Day at SIU, April 24th.

Mrs. L. I. Webb announced that the Mental Health committee project this year, for which she is district chairman, will be to aid nursing homes in the clubs' own communities.

Mrs. Phillip Durham, Mrs. Royce Cline and Mrs. Charles Seten Jr. were hostesses for the meeting.

## Hits Benefits by U. S. to Nationalist Chinese Soldiers

BUFFALO, N. Y. (AP) — Lewis Brake of Mount Vernon, Ill., national commander of the Veterans of World War I, charged Sunday night that retired Nationalist Chinese soldiers are receiving more U. S. benefits than many American veterans.

Brake, in an address before local members of the organization, said Congress granted more than 118 million dollars between July and December, 1957, for rehabilitation and pensions for Chicago veterans.

"There are two million World War I veterans over 65 who receive no government benefits," he stated. "And only 150,000 veterans over 65 receive the top pension rate, which is \$78.75 a month."

"We deserve the same consideration from our government as Chinese veterans receive," he asserted.

Brake said Congress refuses to consider his organization's request for a \$100 pension plan until the Veterans of World War I receive a national charter. A bill for the charter has been approved by the House of Representatives' Judiciary Committee and awaits scheduling by the Rules Committee.

The Daily Register, Harrisburg, Illinois Tuesday, April 15, 1958

## Harrisburg Area to Get Special Consideration on Federal Buying

John Wm. Chapman Jr., regional commissioner of General Services Administration, Region 5, with headquarters at Chicago, announced today that effective immediately business firms in the Harrisburg area will be given special consideration on orders for federal supplies and equipment placed by the regional buying office of General Services Administration.

This program to place a fair share of contracts for federal supplies and equipment in areas where unemployment is a serious problem was first announced by Franklin Floete, Administrator of General Services, on April 4 and is now in effect in GSA's ten regional buying offices as well as their national buying office in Washington, D. C.

Under the plan, a large share of orders placed by GSA's buying offices will be channeled into labor surplus areas through the use of special contracting procedures, without any increase in the cost paid by the government for the items involved. The program will make it possible to direct into the Harrisburg area part or all of any supply order placed by the buying offices of GSA.

The amount of purchase orders "set aside" for handling under the program will vary, depending on such factors as the type of supplies or equipment ordered, item prices and transportation costs. Most of the orders placed through the program will be with small business firms but larger firms in la-

bor surplus areas will also receive special consideration.

Businessmen who wish to receive consideration on quantities of an item set aside for special purchase in areas of unemployment must submit bids or proposals on the quantities of the same item which will be purchased.

Local businessmen may obtain more information about this program, including application blanks to be placed on mailing lists to receive GSA invitations for bids, from Norman H. Cadigan, GSA Business Service Center representative, U. S. Post Office and Courthouse, Springfield, Ill., telephone Springfield 4-4671.

Mr. Chapman also invited local chambers of commerce and similar groups interested in getting government orders placed with businesses in this area, to write or call the GSA Business Service Center at 575 U. S. Courthouse, Chicago 4, Illinois, telephone: Harris-

## Murray State A Capella Choir to Appear Over WSIL Thursday

The a capella choir of the Murray State college, Murray, Ky., will appear over WSIL-TV at 8 p. m. Thursday. Richard Norris, son of Mr. and Mrs. Elbert Norris, 510 S. Main street, Harrisburg, is with the group. Richard is a music major at the college in his senior year and has been doing practice teaching in the Murray high school.

This is the annual spring tour of the choir and the Harrisburg appearance and one at Herrin later, on Thursday, will complete the itinerary. It has toured to Kentucky cities, Chicago, northern Illinois and Champaign before coming to Harrisburg WSIL-TV.

The word "hygiene" comes from the goddess of health in Greek mythology.

on 7-4700, Extension 384, or to contact GSA's Business Service Center representative in Springfield, Ill., at the address shown above. Application blanks to be placed on GSA bidders' lists and other information to enable businessmen to participate in Government buying programs will be gladly furnished to all such interested groups.

## THANKS

to all my friends who gave me their loyal support in last week's primary election. My sincere congratulations to the winners, and best wishes for a Republican victory this fall.

### SHERIFF'S SALE

By virtue of an execution issued out of the Clerk's office of the Circuit Court of Saline County and State of Illinois and to me directed, whereby I am commanded to make the amount of a certain judgment recently obtained against Helen Edelman in favor of Bank of Aurora, a Colorado corporation, out of the Lands, Tenements, Goods and Chattels of the said Helen Edelman I have levied on the following property, to-wit:

Lot Three (3) and fourteen (14) feet off the south side of Lot Two (2) in Block Twenty (20) in Feazel's Addition to the Town (now City) of Harrisburg, in Saline County, Illinois, subject to a mortgage in favor of The First National Bank of Harrisburg, Illinois.

Therefore, according to said command, I shall expose for sale, at PUBLIC AUCTION, all the right, title and interest of the above named Helen Edelman in and to the above described property, on Tuesday, the twenty-ninth day of April, 1958, at ten o'clock a. m., at the South door of the county court house, in Harrisburg, Saline County, Illinois.

Dated at Harrisburg, Ill., this 7th day of April, 1958.

WILLIAM T. BARRETT  
Sheriff of Saline County, Illinois.

# Adolph Rupp to Speak at Sports Banquet April 28

Noted Kentucky Coach Secured By Boosters Club

Adolph Rupp, one of the most famous names in basketball, will be the speaker at the all-sports banquet at 6:30 p. m. Monday, April 28, at Harrisburg Township high school.

Coach Rupp of Kentucky University has been secured as speaker here by the Harrisburg Booster's club, which is sponsoring his appearance.

The speaker is one of the most widely-known basketball figures in the United States. His Kentucky teams have been tops throughout the years and this spring his quintet copped the NCAA basketball tournament. The NCAA is the top college tournament in the country.

Developed by Coach Rupp are such present day professional players as Cliff Hagan of the world champion St. Louis Hawks and Buster Ramsey and Lou Tsiouropoulos of the runner-up Boston Celtics.

Tickets for the all-sports banquet, which will be held in Bonnell gym, are on sale at the Skaggs, Jackson, and Barter drug stores at \$1.50 each. Persons who desire to hear Mr. Rupp and not attend the dinner may secure tickets to the bleacher seats for 50 cents each.

At the banquet letter winners in football, basketball, baseball and track will be given certificates of award. Their letters will be given at the annual Honor Day ceremonies.

Approximately 300 people are expected at the banquet.

## Opening Day Program in Majors Extends from Boston to Golden Gate

**By United Press**  
The tradition of the Presidential first pitch out of the way, major league baseball breaks with its "trolley car" past today with an opening day program from the Boston Common to the Golden Gate.

Some 225,000 fans, encouraged by generally favorable weather, should turn out in eight cities to herald in the game's new coast-to-coast era. A new world champion, a new geographical alignment, some 20 new faces, and another 20 old faces in new uniforms all help to mark it as a pivotal opening day in baseball history.

Pivotal, because such spokesmen as Commissioner Ford Frick are proclaiming the dawn of a "golden era" while others insist too-rapid expansion carries seeds of the game's destruction. Exhibit A in the critics' list of arguments is the New York City area without a game on opening day for the first time since 1883.

**Big Hoopla**  
Whatever the case, the pros and cons of the expansion issue are certain to be drowned out in the hoopla of the West Coast's grand opening between the transplanted Dodgers and Giants at San Francisco. A crowd of 23,600 will jam its way into little Seals Stadium while a total of 110 reporters bang out the details of the historic festivities. Don Drysdale, a native Californian, has been named to start for the Dodgers against the Giants' Ruben Gomez.

Sharing the spotlight—at least locally—with the big West Coast opener are the defending league champion Milwaukee Braves and New York Yankees. The world champion Braves open before 46,000 at Milwaukee with Warren Spahn facing Bob Friend of the Pittsburgh Pirates while the American League champion Yankees are sending Don Larsen against Willard Nixon at Boston.

Philadelphia is at Cincinnati and Chicago plays at night in St. Louis in the other National League games. Detroit at Chicago, Kansas City at Cleveland and Washington at Baltimore round out the all day-time AL schedule.

There will be about a dozen rookies in the starting lineups, headed by the Redlegs' 19-year-old Vada Pinson, outfielder Willie Kirkland of the Giants and second-baseman Billy Moran of the Indians. Fans also will see ex-Cincinnati slugger Ted Kluszewski.

## Looking At Sports

By BILL MELTON

It was father against son this afternoon when SIU played a baseball game at the U. of Illinois.

SIU coach is Glenn "Abe" Martin, slated for a regular outfield job with the Illinois is Abe's son Russ.

Southern faces a heavy schedule of four games this week, all away from home. After today's game at Illinois, SIU baseballers are listed to play a single game Friday and doubleheader Saturday at Western.

Prior to this season baseball had been played at SIU 13 years. The sport was first started by Coach William McAndrew in 1923 and continued in 1924. In those two seasons Southern won 18 and lost four.

Baseball was dropped at SIU until 1947 when it was revived by Coach Martin. During the past 11 seasons SIU has won 126 games and lost 83. In 1952 Martin coached a conference winner with a 9-1 record in the loop and an 18-5 overall record.

Eugene Payton, Carrier Mills' flash in the '30's, continues to hold or share three of SIU's all-time track records.

In 1936 Payton ran the 100-yard dash in :09.9 and shares that record with four others. That same season he was timed at :23.9 in the 220-yard low hurdles and the time was never equalled or beaten.

In 1937 Payton ran the 220-yard dash in :21.4 for a record that still stands, but was equalled the following year by Charles Strusz.

Sammie DeNeal of Harrisburg holds the SIU 440-yard dash record with a time of :49.2 in 1955 and also was a member of the record-making mile relay team of 1955 that ran the distance in 3:24.2.

Quentin Stinson, Eldorado, holds the SIU discus record. He hurled the plate 147-7 1/2 in 1948.

Leland "Doc" Lingle, track coach at SIU, is one of the most experienced and best-known coaches in the state. He is starting his 32nd year at SIU, having joined the school faculty in 1927.

Before Lingle began coaching, SIU cindermen had participated in only three previous meets, one in 1916 and two in 1925.

During his long years of service SIU has won 111 and lost 88 dual meets and in triangular competition have won 10 and lost two times. His squads have won 10 Illinois State College meets.

Lingle's cross-country teams have won two conference championships.

Lynn Holder, basketball and golf coach at SIU, began his coaching career at Equality high school. He also coached at Lawrenceville before going to Southern.

He was an all-state basketball

## Something New, Senators First

By United Press

No, dear reader, you are not holding your newspaper upside down—the Washington Senators are really and truly in first place in the American League today.

But you'd better look fast, and manager Cookie Lavagetto better enjoy life while he may. Because this has happened to other Washington teams that won the opening game of the season while other

player at Carbondale Community high school and one of SIU's finest all-around athletes, lettering in football, basketball and track, was captain of the cage team in 1933 and 1934 and selected for all-conference honors in both football and basketball.

Harrisburg has resigned from the Big 7 Junior High school conference, effective with the close of the present school year it has been announced by Louie Beltz, athletic director.

Harrisburg joined the loop last year, but Beltz said playing a conference schedule, plus traditional rivals closer to home made the schedule much longer than he preferred.

The local school, along with Carbondale, announced its resignation at a conference meeting last week.

HARD GOING—Harvey Haddix knows he is the "yes" or "no" man as far as the quality of the Cincinnati Reds' pitching staff goes this season so he snaps off curves with all he's got at Tampa's Plant Field.

teams were idle, and we all know what happened to them.

But that's a nasty thought to bring up on a day when Lavagetto and his merry men, particularly Cuban pitcher Pedro Ramos, are the toast of the game for their stirring 5-2 triumph over the Boston Red Sox in Monday's tradition opening game before President Eisenhower and a crowd of 26,675.

After Ike went tradition one better by tossing out two "first balls"—one caught by the Senators' Whitely Herzog and the other by the Senators' bat boy—Ramos took over the hurling chores and did right well. All told he gave up only five hits.

A mighty big day for the Senators. And one they probably will recall wishfully on many hot days this summer.

The Senators put their "winning streak" on the line today when they visit Baltimore in the opener there.

The U. S. Department of Agriculture estimates farmers bought nearly 600,000 wheel tractors during 1955. About three-fifths were used tractors.

## Haitian Diplomat Enroute Home To Face Trial for Embassy Slaying

WASHINGTON (AP) — A Haitian diplomat who shot to death his superior officer in anger over recall was en route to Haiti today, presumably to face trial for the slaying.

First Secretary Andrew Toussaint, 38, was escorted by an embassy aide identified as C. Turner on the two-stage flight to Port au Prince.

District of Columbia police said Toussaint admitted firing three shots from a .38 calibre revolver

into the neck and chest of minister counselor Samuel Devieux, 52, as Devieux sat at his embassy desk Monday. Devieux died minutes later.

Haitian Ambassador Luc Fouché said Toussaint received his recall from diplomatic service Monday. Toussaint apparently blamed "bad reports" by Devieux for the order to return to the West Indian republic.

The recall was made the more distasteful since the diplomat married an American girl, Vera Daniels Gray, 31, last Saturday. His bride did not accompany him to Haiti today.

Problems posed by "diplomatic immunity" made investigation of the shooting a touchy matter for police. Foreign embassies technically are foreign territory and not affected by American law. The Haitian government could have tried Toussaint here, however.

## District Welfare Meeting Wednesday At Elks Club

The Spring meeting of Illinois Welfare Association, district 10, will be held in the Elks club, Wednesday. The 10th district includes Alexander, Franklin, Galatin, Hamilton, Hardin, Jackson, Johnson, Massac, Perry, Pope, Pulaski, Randolph, Saline, Union, White and Williamson counties.

Registration will begin at 9 a. m. and 10 a. m. Pev. William Burroughs, First Presbyterian pastor, will give the invocation. R. O. McClellan, executive secretary of the Illinois State Employees association, will outline the aims and objectives of the I. S. E. A. Mrs. Jule Johnson, executive secretary of the I. W. A., will speak on the I. W. A. and the department of voluntary registration of social workers.

There will be a business meeting at 11:30 a. m. and a luncheon at 12 noon will be followed by entertainment. Objectives and functions of the I. W. A. will be presented by Mrs. Linn Brandenburg, president, at 2 p. m. and the meeting will be adjourned at 2:45 p. m.

Mrs. Mary Jeannette Parker will play the organ and accompany Dr. B. E. Montgomery at the drums. Saline county department of Welfare will be the host.

## Former President U. of Illinois Trustees Dies

HARVARD, Ill. (AP) — Funeral services were scheduled here for Thursday afternoon for Herbert B. Megrin, 68, former president of the University of Illinois Board of Trustees.

Megrin died Monday in a New Orleans hospital after being stricken with a heart attack while aboard a train en route to a convention in the Louisiana city.

Megrin and his wife, Gladys, boarded the train Saturday night at Champaign after visiting Dr. David D. Henry, university president.

Services were scheduled in the First Methodist church, with burial in Mount Auburn cemetery.

Megrin, in addition to his widow, was survived by a son, John; two daughters, Mrs. Elizabeth Vose and Mrs. Jean Jaynes, and five grandchildren.

Megrin, president of the hardware firm of Starline Inc., served on the university board of trustees from 1951 through 1957, and was board president for three one-year terms, beginning in 1954. He also headed the Illinois Alumni Foundation from 1947 to 1950.

## Ike Tells GOP He Objects to Two Measures

WASHINGTON (AP) — President Eisenhower told Republican congressional leaders today he objects to certain features of two bills the Democrats have called anti-recession measures.

The President's objections increased speculation that he might veto the two — the \$5,500,000,000 highway construction bill and the \$1,578,812,000 rivers and harbors bill. Congress passed both before adjourning for Easter.

The President must act on the rivers and harbors bill before midnight tonight and on the highway bill before midnight Wednesday. Otherwise they become law without his signature.

Senate GOP Leader William F. Knowland told newsmen of the President's objections after Republican leaders had completed their weekly meeting with the President. Firm Against Tax Cut

Knowland, however, persistently refused to say whether the President disclosed his intentions on vetoing or signing the two.

He did say the administration is holding firm against an anti-recession tax cut at this time and that there is "no indication of any change" in other administration plans for countering the business slump.

"No tax legislation is immediately being proposed or contemplated," Knowland said.

## Concert Friday by Vienna Band, Chorus

The newly organized band and chorus of Vienna will make their first appearance in concert at 8 p. m. Friday in the Vienna high school. Austin Gibson, music instructor at the high school will direct.

The band members will wear new blue and white uniforms and the girls in the singing chorus will wear spring formal dresses. The students consider this the outstanding event of the school year and the public is invited to attend.

## Herrin to Vote On Bonds for Library

HERRIN, Ill. (AP) — Herrin voters will ballot May 6 to decide on a \$135,000 bond issue for a new library.

The City Council passed an ordinance Monday night setting the election date. The bond issue would be used to buy a site for a new library and to construct and equip the library.

## Russia Endangering World Peace: Dulles

(Continued from Page One)

gested such a mishap may have been behind Russia's unilateral nuclear test ban. But Dulles said tersely he doubts that is the explanation for the Russian maneuver.

—Expressed doubt that the United States should enter a race with Russia to hit the moon first. He said that if hitting the moon has scientific value, he supposes the United States will do it. But, he said, this country should not make such a try merely for propaganda just because Russia may aim for the moon. But he added that this does not mean he is against going to the moon.

—Indicated that relations between the United States and the new United Arab Republic of Egypt and Syria may be improving. He said one indicator is the fact that press and radio reports from the Arab nation have moderated in tone toward the United States.

Dulles said the United States and its Western Allies are still discussing their reply to Russia for beginning pre-summit ambassadorial talks in Moscow.

## Mrs. Joe Evans, Former County Resident, Dies

Mrs. Frances Evans, 74, widow of Joe Evans, resident of Johnston City and former resident of Saline county, died in the Herrin hospital Monday morning. Funeral services will be held at 2 p. m. Wednesday in the Murman-Wilson funeral home in Johnston City with Rev. W. R. Warner officiating. Burial will be in the Masonic cemetery near Raleigh.

## B47 Explodes, Plunges Into Gulf of Mexico

ST. PETERSBURG, Fla. (AP) — A low flying B47 Stratojet bomber exploded over the heavily traveled Sunshine Skyway bridge today and plunged into the Gulf of Mexico. The three or four crewmen aboard were presumed killed.

A spokesman at MacDill Air Force Base confirmed that the plane was a sweptwing jet bomber stationed at the base but said a check would have to be made to see how many crewmen were aboard.

The Hillsborough County sheriff's office reported that "bodies" were seen floating in the water in the midst of the wreckage about 1 1/2 miles from the main bridge span.

Deputies quoted witnesses as saying the big plane flew low over the bay, nearly hitting the bridge, then burst into fiery fragments as it passed over the span.

One of the jet's engines, two flight helmets and other debris from the plane showered down on the bridge.

## Air Guard Pilot Killed in Crash

SPRINGFIELD, Ill. (AP) — One Illinois Air National Guard pilot was killed but a second escaped injury when they bailed out of their planes near Mobile, Ala.

Guard officers here identified the dead pilot as 2nd Lt. Herbert E. Pierce, 22, Springfield, Ill. A helicopter crew recovered his body from Mobile Bay about an hour after he reported his plane had flamed out.

Meanwhile, 1st Lt. Virgil Plummer, Grafton, Ill., parachuted to safety and made his way to a house near Gateswood, Ala., where he notified authorities.

## Woman Member of Tribe Which Killed 5 Missionaries, Embraces Christianity

CHICAGO (AP) — A woman member of the savage Auka Indian tribe will renounce her beliefs tonight to embrace Christianity.

Dayuma, whose tribe killed five missionaries in the Ecuador jungle two years ago, will be baptized a Christian by Wheaton College President V. Raymond Edman.

The Evangelical Free Church service in suburban Wheaton will have a special meaning for its members, since Nathaniel Saint, a victim of the Indian massacre, was a parishioner.

Dayuma, 25, met Saint's sister, Rachael, on a plantation to which she had fled in her early teens because of her opposition to which tribe's lust for blood, Edman said. The Aucans "must" kill, he added.

"Dayuma taught Miss Saint the Aucan language and made her the only person in the world outside of the tribe's people themselves to understand it," Edman said. In turn, Rachael Saint read the Bible to Dayuma, who embraced the ethics of Christianity.

The two women spent the winter in Sulphur Springs, Ark., Dayuma said.

## Births

Mr. and Mrs. Bertis Wayne Dixon, RFD 2, Harrisburg, are parents of a boy born at the Harrisburg hospital Monday. The baby has been named Steven Wayne and weighed eight pounds, four

learning English and the Bible and in return, translating the Scriptures into Aucan.

Edman said he met Dayuma thru Miss Saint in Ecuador, and again when the two visited the school.

"There are various Protestant denominations trying to find the key to approaching the Aucans," Edman said. But the tribe is so bloodthirsty that if members "don't find somebody or some animal to kill every week or so, they get nervous and go out looking."

"Dayuma came from probably the most primitive people left on earth," Edman said.

## TV Emmy Awards Tonight

HOLLYWOOD (AP) — The television industry honors its best tonight in the nationally televised 10th annual Emmy awards originating on both coasts.

Twenty-four golden Emmys—the industry's highest award—will be presented on a 90-minute show opening with remarks by Ed Sullivan, president of the National Academy of Television Arts and Sciences.

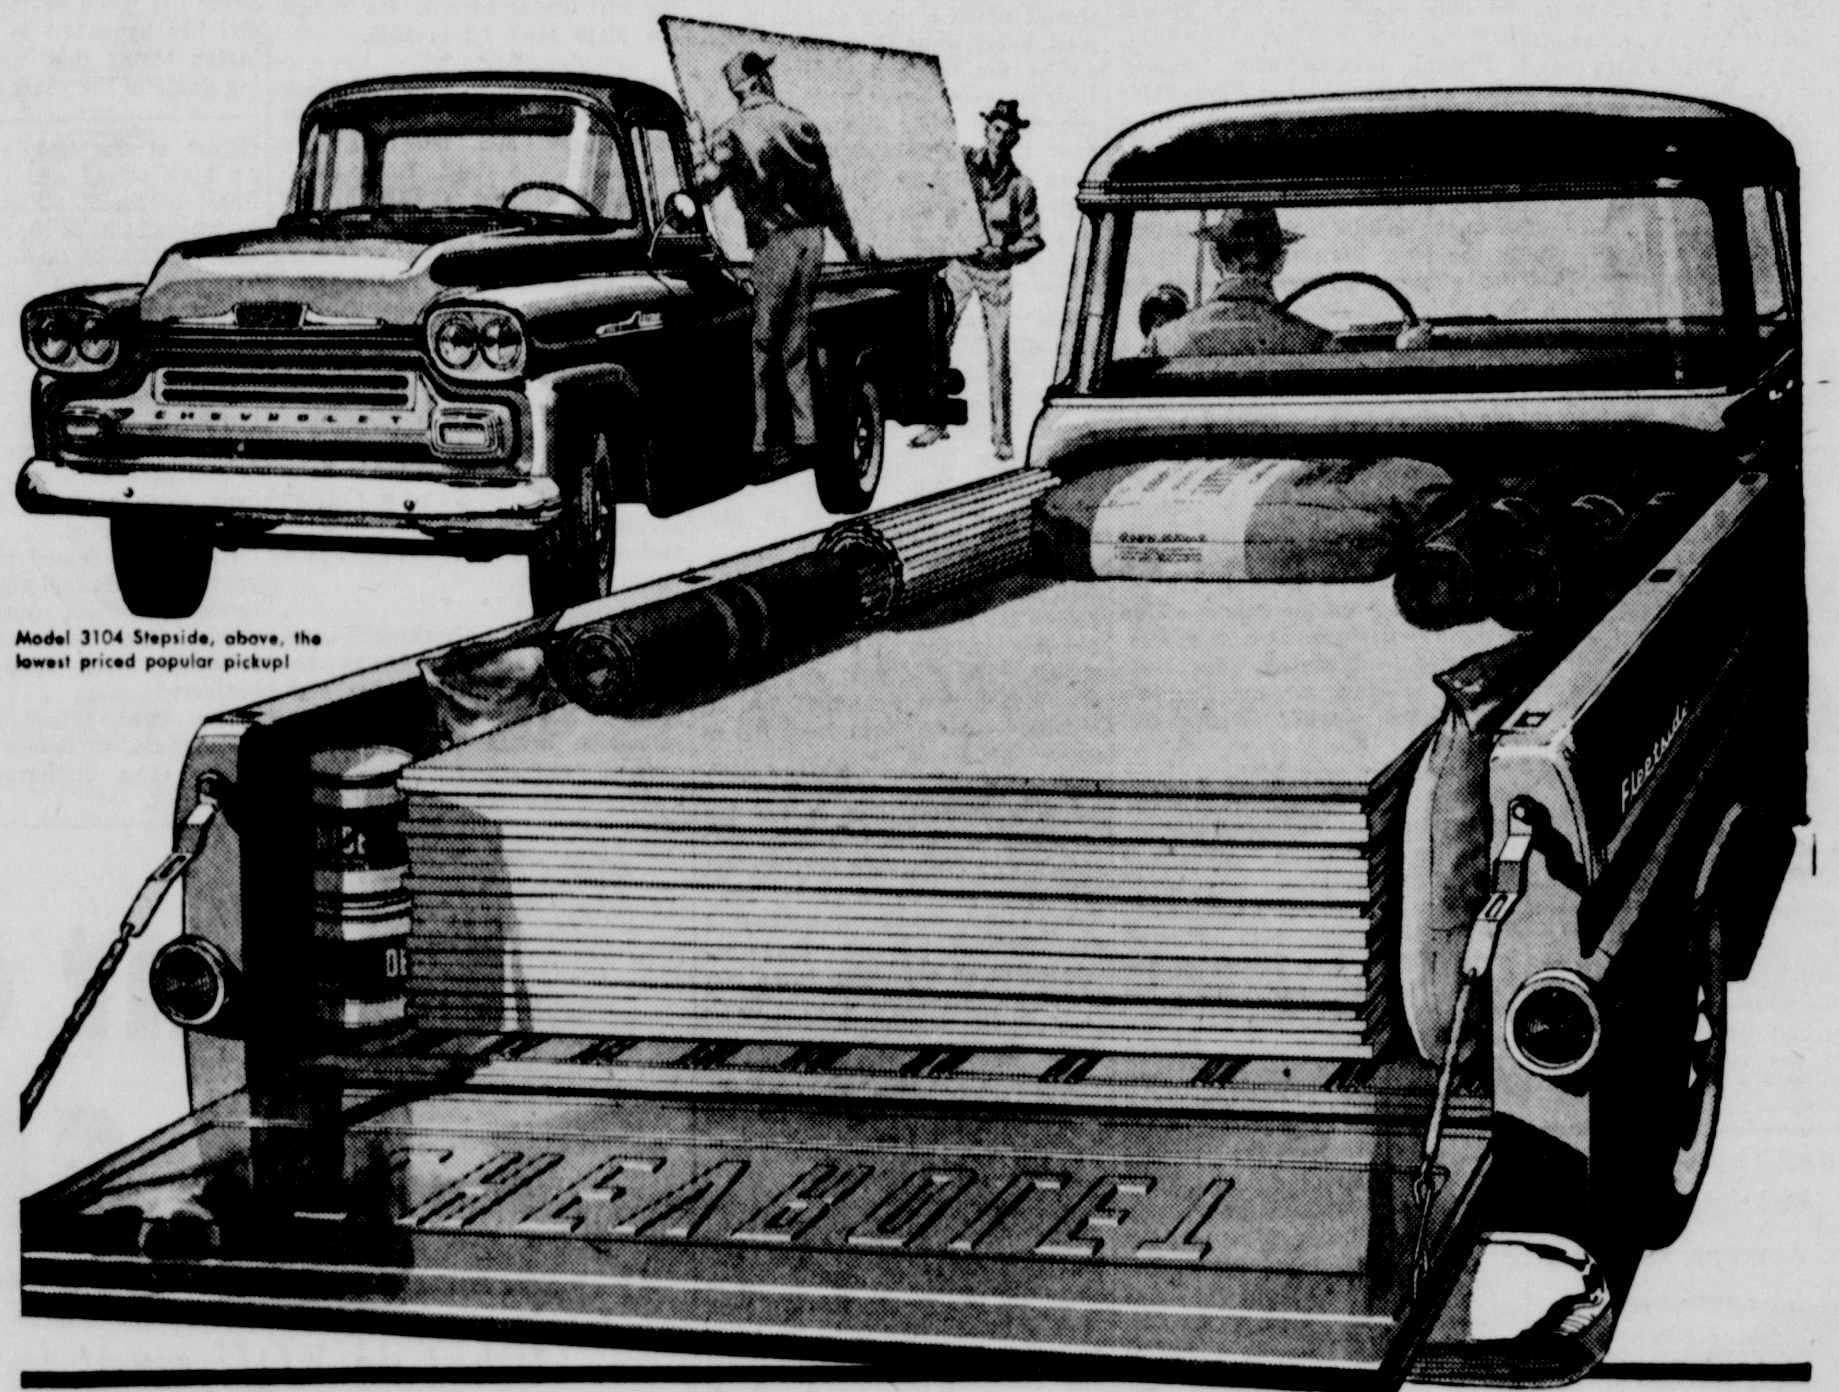

Phil Silvers, TV's Sergeant Bilko, will emcee the award ceremonies originating from Studio City in New York. Danny Thomas will handle the West Coast awards.

## Science Shrinks Piles New Way Without Surgery

Finds Healing Substance That Relieves Pain, Stops Itching as it Shrinks Hemorrhoids

New York, N. Y. (Special) — For the first time science has found a new healing substance with the astonishing ability to shrink hemorrhoids, stop itching, and relieve pain — without surgery. In case after case, while gently relieving pain, actual reduction (shrinkage) took place. Most amazing of all — results were so thorough that sufferers made astonishing statements like: "Piles have ceased to be a problem!" "The secret is a new healing substance (Bio-Dyne®) — discovery of a world-famous research institution. This substance is now available in suppository or ointment form under the name Preparation H. At your druggist. Money back guarantee."

New high-capacity Fleetside body is deeper and wider!

## Space for bigger cargoes... and a special way of saving!

With 10 models, including the new Fleetside, Chevy's famous pickup fleet has a quick answer to anybody's overhead problem. Here's where you get the exact capacity you need along with sure ways to cut costs.

You can tell the new Fleetside is wider—a full 6 feet wide—deeper too; built to save you trips with its extra-big capacity. Notice the full-width tailgate and rigid side supports for extended loads. The Fleetside's something special. Still, all Chevrolet pickups have a lot in common. Advantages like the 6-cylinder

engine that's best known for economy. A precision-built short-stroke V8 offered as an extra-cost option. Load features like a grainless tailgate and steel skid strips in the hardwood floor. Your Chevrolet dealer has 'em—the year's finest lineup, including America's lowest priced popular pickup.

First in buyer preference since 1957
